- Adobe Photoshop
- CorelDRAW

SOFT SKILLS

- Communication Skills
- Creative Thinking
- Team Collaboration

LANGUAGE

- English
- Hindi
- Gujarati

PROJECTS

Kashida Floral Embroidery Shawl

Academic Project · Embroidery & Textile Design · 2026

Designed a soft ivory shawl with intricate Kashida floral hand embroidery and delicate fringes. Blended traditional Indian heritage craft with contemporary everyday elegance, exploring detailed surface ornamentation, colour combinations, and rich layered thread textures throughout the complete design and construction process.

Kutchhi Embroidery Kurti Set with Mirror Work

Academic Project · Heritage Craft & Apparel Design · 2025

Created a vibrant kurti set featuring traditional Kutchhi mirror-work hand embroidery with a fully coordinated matching dupatta. Celebrated rich regional craftsmanship through intricate geometric and floral surface patterns on soft fabric, thoughtfully designed to honour cultural heritage in festive and ethnic wear styling.

Fire-Themed Cowboy Costume · University Fashion Show

Concept to Runway · 2026

Conceptualized and fully executed a bold flame-inspired runway costume with textured surface embellishment and an asymmetrical silhouette. Managed the entire pipeline — concept sketching, fabric sourcing, garment construction, surface decoration, and complete accessory styling — delivering a high-impact stage presentation at the university fashion show.

WORK EXPERIENCE

Crewel & Machine Embroidery Workshop

Rai University x Usha & Janome · January 2025

Gained intensive hands-on experience in crewel embroidery techniques, machine embroidery operations, and a range of stitch variations. Learned professional methods for design transfer onto fabric, thread selection, texture building, and quality finishing — significantly improving stitch precision, speed, and overall surface detailing ability.

Storytelling in Fashion Workshop

Rai University · Speaker: Josephine Cowell · September 2025

Developed strong skills in concept-based fashion collection building, mood board creation, and visual narrative development. Gained deeper understanding of how branding, emotional storytelling, and colour psychology shape powerful and commercially successful fashion design collections in the modern industry.

Kalakruti 2026 — Art & Design Exhibition

Rai School of Design, Rai University · April 21–22, 2026

Exhibited embroidery textiles, mirror work pieces, paintings, and handcrafted models to a live audience over two days. Demonstrated mastery in colour theory, advanced texture application, and surface ornamentation across multi-disciplinary design works. Gained valuable experience in exhibition setup, artwork curation, and direct audience engagement.

EDUCATION

Bachelor of Design in Fashion

Rai University, Kutch, Gujarat · Specialization: Embroidery Design · 2023–2027 (Expected) · Final Year

Pursuing a four-year undergraduate Fashion Design degree specializing in Embroidery Design. Building comprehensive expertise across garment construction, surface ornamentation, textile science, draping, pattern making, fabric dyeing, and fashion communication through studio practice and theoretical study. Currently applying all skills to professional-level projects and live exhibitions.

Higher Secondary — 12th Arts

Shree Matruchhaya Kanyavidyalaya, Bhuj, Gujarat · 2022

Completed 12th standard with an Arts stream, establishing a strong creative and visual arts foundation through formal study of fine arts and design principles. This arts education directly shaped the decision to pursue fashion design as a professional career combining handcraft, cultural heritage, and contemporary visual expression.
